Only 170 Engine Hours

Keen Seller

This 2023 Prestige 690, first launched in 2024, presents a rare opportunity to acquire a meticulously maintained yacht in exceptional condition, offering all the benefits of a nearly new vessel without the waiting time of a new build.

The yacht remains covered by the **manufacturer's warranty**, and with only **170 engine hours**, she has been privately owned, lightly used, and maintained to the highest standards since delivery.

Specified with an extensive list of factory options, this is a **fully equipped Prestige 690** featuring virtually every major optional upgrade available from the shipyard. Her impressive specification includes the **Seakeeper SK18 Gyro Stabilisation System**, the **Garmin Premium Electronics Package** with multiple multifunction displays, **electric opening hardtop**, **Bowers & Wilkins premium audio system**, luxurious upgraded interior finishes, and a wide range of additional factory options throughout both the interior and exterior, providing an exceptional combination of comfort, technology and onboard functionality.

Currently stored ashore, the yacht has recently completed a comprehensive maintenance programme, with all mechanical and onboard systems professionally inspected, serviced and tested, ensuring she is presented in turnkey condition and ready for immediate cruising.

Presented in outstanding condition, this Prestige 690 is a truly turnkey yacht, offering her next owner an exceptionally well-maintained, highly specified vessel that is ready for immediate delivery and enjoyment.
