Description

Introducing the stunning 2019 Princess S65, a remarkable cruiser that embodies luxury and performance. With an impressive overall length of 20.14 meters, this monohull vessel is crafted from durable fiberglass, ensuring both elegance and strength on the water. Powered by twin MAN inboard engines, each delivering 1400 hp, it achieves a cruising speed of 24 knots and a maximum hull speed of 36 knots, making it perfect for exhilarating adventures. The S65 offers spacious accommodations with five cabins and four heads, providing comfort for family and friends. Equipped with modern features such as joystick control and an electric windlass, navigating this beauty is a breeze. With 990 hours of use, this used model has been well-maintained, promising many more journeys ahead. Experience the perfect blend of style and performance with the Princess S65, aptly named "Far & Away."
