Description

The stunning **2014 Princess 72 Flybridge Motor Yacht** is a superb example of this highly popular series, built in excellent condition and meticulously maintained for private use only.

This remarkable vessel offers an impressive overall length of **22.3 meters** (~73 feet), with a sleek fiberglass hull that combines durability, elegance, and exceptional performance on the water. Powered by **twin Caterpillar C32 engines**, each producing **1,622 horsepower** for a total of **3,244 horsepower**, delivering outstanding cruising capability and efficiency.

With **low engine hours** of only **890**, the engines remain in prime condition, promising long-term reliability and reduced maintenance needs for your future adventures.

Key highlights include:

-**TRAC fin stabilizers** for enhanced comfort and stability, even at anchor or in motion.

-**Hydraulic Windlass.**

-A **Williams 285 Tender,** and an Electric Tender.

-**Crane on Flybridge**.

-**VAT not paid**, offering potential tax advantages depending on your location and usage.

Accommodation is luxurious and spacious, featuring **four guest cabins** plus crew quarters, along with an additional **fourth WC on the lower deck** for added comfort. The layout provides ample space for relaxation, entertaining, and family voyages.

Additional premium extras elevate the experience even further: a crane on the flybridge, third control station, bow seating, watermaker, and many more thoughtful features designed for effortless, high-end yachting.

This Princess 72 perfectly blends timeless style, powerful performance, and modern luxury—ideal for those seeking unforgettable voyages with every detail crafted for an extraordinary experience on the water.
