Description

Introducing the stunning 1981 Bertram 42 Flybridge Motor Yacht, a remarkable cruiser that combines elegance with performance. Measuring an impressive 10.8 meters in overall length, this vessel boasts a robust fiberglass hull with a Deep Vee shape, ensuring stability and smooth navigation through various waters.

Powered by dual Cummins VT 903 inboard engines, each delivering 560 hp, this yacht promises exhilarating speeds, reaching up to 32 km/h, with a comfortable cruising speed of 20 km/h. With 2500 hours of experience, these engines are well-maintained and ready for adventure. Accommodating up to 10 guests, the yacht features two cabins and two heads, providing ample space for relaxation and comfort. The electric windlass enhances convenience, making anchoring effortless.

Experience the perfect blend of luxury and performance aboard the EVORA, where every journey becomes a memorable escape on the water.

Other Details:

- **Manufacturer Provided Description**

The last Silver Anniversary Editions of the Bertram 31 Flybridge Cruiser feature an oak wood interior and a contemporary color scheme. Outside is a characteristically huge cockpit with a teak sole. Black and silver striping along with smoked window shading help highlight this model. Also standard is cockpit coaming padding, special bottom paint, aluminum rails, and a Blaupunkt stereo. But underneath, there's the same original hull design that raced through heavy, wind-whipped, ten-to-twelve-foot seas to win the roughest Miami to Nassau race ever held.

- **Disclaimer**

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.
