Description

A great boat to sail, with many extras added the last years, kept under very personal care by the owner, used as a charter boat in the Aegean sea. This Bavaria 38 is really pretty well equipped with new sails, new solar panels, new electric devices, new upholsteries and a lot of more is a hot deal for this summer and many more upgrades and additions so makes the boat really a great opportunity to get, comparing the rest of the boats which are available now in the market. She is under greek flag and commercial use and can be sold with the company NEPA as well and she is available anytime to visit and view
