Description

The 2019 "Owners Version" Lagoon 50. Contains a luxurious owner's suite in the starboard-side cabin. Sailing in comfort does not get much better than this. Enjoy a sailing experience more akin to staying in a luxurious hotel rather than in a sailing yacht. She currently resides in winter storage in Preveza and is available for viewing upon demand. The vessel is used privately with only family guests, never chartered and was stored on dry land for winterizing & services in 2022, 2023. She is painted with Copper Coat Antifouling. The cat has No Generator and Air condition and it is mainly a Green Energy vessel, with lots of ventilation and light, and powered by big solar panels and lithium batteries that enable her full use without shore connected power.
