Description

Pershing 37 (1999) This Pershing 37 is offered in excellent condition and showcases the distinctive combination of Italian design and strong performance. Powered by twin Caterpillar 3116-350 DITA engines (approx. 1,000 hours) with shaft drive, she cruises comfortably at 27 knots and reaches up to 33 knots at maximum speed. The yacht has recently undergone extensive mechanical and cosmetic upgrades. In 2025, full servicing was completed on the engines, shafts, and windlass. The hull was antifouled and professionally polished. A new ICOM IC-M330 marine VHF was also installed. Further exterior enhancements include new grey sunbathing cushions on the bow, cockpit, and aft deck, as well as a new Flexiteek bathing platform—all fitted in 2025. Accommodation is practical and comfortable, featuring a forward double berth and an aft double berth, making it ideal for weekends onboard or short cruising trips. This is a turn-key, VAT-paid example of a highly sought-after model—ideal for those seeking a stylish and well-maintained sport cruiser. Contact us for more information or to arrange a viewing!
