Description

Princess 52 (2014) Privately Owned | Low Engine Hours | Excellent Condition Offered in very good condition, this Princess 52 was built in 2014 and launched in 2015. She has been used exclusively for private purposes and has never been chartered, ensuring light use and meticulous care throughout her life. Powered by twin Caterpillar engines, the yacht has logged just 680 engine hours, and all scheduled maintenance has been carried out by the official local Caterpillar dealer. She is extensively equipped for both comfort and autonomy, including a Cummins Onan 19kW generator, a Tecnicomar watermaker (160 L/h), six semi-flexible SunPower solar panels (170W each), and an upgraded battery system for improved energy efficiency and performance. In addition, the shafts have been cleaned and aligned, and the hydraulic platform system has been fully serviced. Every element of this yacht reflects a high standard of ownership and care. A genuine opportunity for discerning buyers seeking a well-kept, privately owned Princess. For further information or to arrange a visit, please don't hesitate to contact us.
