Description

The Marex 360 Cabriolet Cruiser is a full planning open cabin cruiser, with one of the largest convertible cockpits in its class. No boat under 40 feet features a larger cockpit area than the new Marex 360 CC. The popular solutions from the previous model – 350 Cabriolet Cruiser can be recognised and has been developed and implemented in this new, magnificent model. By removing a saloon below deck and devoting the space

saving to a larger cockpit area, this boat is designed for those who spend little time below decks. An amazing 10 people can be accommodated around the table. The luxurious seating area is the perfect place to entertain! Modern storage innovations encompass expanded waterproof containers under the seats. This boat is maintained in a marvelous condition, she is fully serviced with 2 Mercury diesel engines with joysticks, and is back in waters and she is available to view anytime, and offered for immediate sale.
