## Description

Cranchi Atlantique 40 – 2001 This yacht offers a functional layout and reliable performance. It is powered by twin Volvo Penta TAMD 63 P-A engines, fully serviced, with approximately 2,100 hours. This year, the shafts, propellers, and bushings were serviced as part of scheduled maintenance. Recent upgrades include new grey exterior cushions and a complete battery replacement. She is equipped with a Fischer Panda generator, air

conditioning, solar panels providing energy autonomy at anchor, and a three-zone sound system. All primary systems are in excellent working order. The teak decking in the cockpit shows signs of wear and may require replacement in the near future, though it remains fully operational. This yacht is ready for comfortable and safe cruising. Should you wish to arrange a viewing, please do not hesitate to contact us.
