## Description

Azimut 53 Flybridge (2023) – Launched 2024 Private Use | Only 130 Hours This Azimut 53 Flybridge, delivered new in 2024 with only 130 engine hours, has been maintained to high standards and used exclusively for private purposes. Powered by twin Volvo Penta IPS 950 engines (725 hp each), the yacht delivers efficient and responsive performance, cruising comfortably at 26 knots and reaching 31 knots at top speed. It offers an estimated range of approximately 260 nautical miles at cruising speed, suitable for coastal and island cruising. The layout is designed for practical comfort: the main deck features a bright salon with large windows and a fully equipped galley. Below deck, there are three guest cabins including a full-beam master suite, plus a dedicated crew cabin with private access and facilities. The flybridge offers ample seating, a second helm station, a wet bar, and a sunbathing area. Key systems include generator, air conditioning, watermaker, bow and stern thrusters, and a stern joystick for enhanced maneuverability during docking. Additional features are a hydraulic swim platform, washer/dryer, Garmin Gold Package with AIS and stern camera, advanced security system with 9 remotely accessible cameras, Wi-Fi, underwater lighting, and a fully equipped AB 290 jet tender used for one season. The yacht's warranty is valid internationally until October 2025. For further details or to arrange a viewing, please contact us.
