Description

Princess 50 2008 Privately Owned - Never Chartered This 2008 Princess 50 has been used exclusively for private family cruising. For the past 2.5 years, it has served as a family boat under the care of a professional captain. The previous owners were also a private family. The yacht has been meticulously maintained throughout its life, with all preventive maintenance already carried out. In June 2025, the yacht underwent full seasonal servicing, including two coats of International Ultra 300 antifouling. The valves of the air conditioning system, generator, and watermaker were replaced with high-quality brass components. In May 2023, the hull was completely stripped and treated with International Gel Shield for osmosis protection. The yacht includes a 2023 Capelli 360 tender with a Mercury 40 HP outboard (approx. 120 hours). The interior layout features three guest cabins, including a full-beam master cabin with en-suite, a forward VIP cabin, and a twin cabin with two single beds. The VIP and twin cabins share a bathroom. Additionally, there is a separate crew cabin with en suite facilities. The yacht is equipped with bow thruster, hydraulic gangway, underwater lights, watermaker, new dishwasher and washing machine, full entertainment system, and a flybridge BBQ with dual fridges. Recent Maintenance & Upgrades: Full seasonal service completed – June 2025 Two coats of International Ultra 300 antifouling applied Brass valves installed on A/C, generator, and watermaker systems Complete hull treatment with International Gel Shield – May 2023 Regular teak deck maintenance carried out This is a well-maintained, highly specified yacht in turnkey condition, ideal for private cruising or light charter use.
