Description

The boat is equipped with two Mercury 400 Racing engines, each delivering 400 horsepower, providing a smooth cruising speed of around 32 knots. It features reliable navigation and communication systems including Simrad GPS/Plotter, Sailor VHF DSC, compass, EPIRB, and JRC NCR-333 Navtex Receiver, ensuring safety and confidence at sea. Handling is made easy with the Lewmar electric windlass and bow thruster, while the deck layout is thoughtfully designed for comfort and functionality. Both the cockpit table and the forward table convert into sunbeds, complemented by cushions that offer ample space for relaxation and sunbathing. The boat includes an electric toilet located beneath the armchair. Additional amenities include a swimming ladder, cockpit shower, refrigerator, and a quality sound system with MP3, radio, USB ports, Bluetooth connectivity, and cockpit speakers—ideal for enjoyable moments onboard. The boat is fully operational and represents an ideal option as a tender or chase boat. If you would like more information or wish to arrange a video call onboard, please feel free to contact us.
