Description

Sunseeker Manhattan 63 (2012) Refit 2020 – New Teak on Platform (2025) EU VAT Paid – Excellent Condition A beautifully maintained Sunseeker Manhattan 63, available for immediate delivery with EU VAT paid. The yacht is in excellent overall condition, offering exceptional build quality, strong performance, and luxurious accommodation.

Engines & Performance Powered by twin MAN V8 engines, the Manhattan 63 delivers an ideal balance of power and efficiency. The yacht has been professionally maintained every season, with servicing carried out approximately every 100 engine hours by the appointed service team. Cruising speed: approx. 20 knots Maximum speed: 32 knots Fuel consumption: around 220 litres/hour at cruising speed Both engines have been regularly serviced according to the manufacturer's schedule. Joystick control ensures smooth and precise handling when docking or maneuvering in confined spaces.

Interior & Layout The interior, fully refitted in 2020, features warm tones, premium materials, and a spacious design that combines comfort with functionality. All cabin mattresses were replaced during the refit. The saloon includes a U-shaped sofa, a two-seater sofa, a coffee table, and a sideboard with bottle and glass storage. Large panoramic windows flood the space with natural light, creating a bright and welcoming atmosphere. The galley, open to the main living area, is fully equipped with a ceramic hob, oven, extractor hood, stainless steel sink, fridge/freezer, icemaker, washing machine, dishwasher, and ample storage. Accommodation comprises four guest cabins and three bathrooms, plus

a crew cabin for two with private facilities. The full-beam master stateroom features a large double bed, wardrobe, sofa, and en suite bathroom. The VIP cabin forward offers a double bed and en suite with day access. The starboard twin and port bunk cabins provide comfortable sleeping arrangements for family or guests. Exterior & Flybridge The flybridge offers an excellent space for relaxation and socialising, featuring ample seating, a dining table, a secondary helm station, and unobstructed views. In 2025, new teak will be installed on the bathing platform, further enhancing the yacht's appearance and value. Equipment & Entertainment The yacht is equipped with a Cummins Onan 16 kW generator and a camera monitoring system in key areas. Entertainment includes: Bose Lifestyle 48 system in the saloon Bose 321 system in the master cabin Fusion multimedia units in the VIP and guest cabins Sony LCD televisions (46", 32", 26", and 22") throughout. The yacht has been dry-docked annually, except for the current season, and is available for viewing by appointment.
