Description

Three simple words to describe this model: sporty, eye-catching, unique. The exceptional hull of the PY100 Rigid inflatable boat represents the harmonious blend of aerodynamic design, advanced hydrodynamic technology, and high-quality materials. This combination delivers superior performance in terms of speed, maneuverability, stability, and comfort, making the boat an ideal choice for thrilling maritime adventures in any conditions. You will have the choice to select between the AIR variant or the model with the practical T-TOP. On board the PY100, you will experience spacious areas, generous storage compartments, and a welcoming cabin for the utmost comfort. Highly practical and convenient at the bow, thanks to the retractable table, as well as in the aft area where you'll discover the kitchen and an integrated refrigerator under the seating. You'll have the chance to establish your own personal lounge space, enabling you to fully savor your days at sea. The impressive below-deck space, with a height of 2.00 meters, is configured as follows: it features two single beds that can be converted into a double bed. There is a separate bathroom, complete with a sink, shower, and electric toilet. Access to the cabin is obtained from the bow, through an automatic sliding door. PY manufacture
