Description

Introducing the stunning 2025 Princess F55, a remarkable motor yacht that combines elegance with performance. With an overall length of 17.6 meters, this vessel boasts a sleek fiberglass hull designed in a Deep Vee shape, ensuring smooth navigation through the waters. Powered by twin Volvo Penta D13-900 inboard engines, each delivering an impressive 900 horsepower, the F55 promises exhilarating speed and reliability, with only 83 and 84 hours of use. The yacht features a sophisticated joystick control for effortless maneuvering, complemented by an electric windlass for convenient anchoring. Accommodating up to four cabins and three heads, the interior is designed for comfort and luxury, making it perfect for extended voyages. The Princess F55 is a true masterpiece, offering an exceptional blend of style, power, and comfort for discerning yacht enthusiasts. Experience the thrill of the open sea with this exquisite vessel.
