Description

The 2007 Sessa C42 is a yacht that combines Italian elegance, maritime comfort and remarkable performance. On board, everything is designed for your enjoyment: a large, bright saloon, a functional galley, two spacious cabins and a warm atmosphere. We particularly like its balanced hull, which guarantees smooth and safe sailing, even in rough seas. The exterior is offering a convivial and refined space for moments of relaxation with a large sofa, big table and spacious sunbed, over the garage of her. This boat is ideal for daily cruises and of course easy to manoeuvre and use in small ports. Our boat needs some additional aesthetic works mostly and we are offering her at the best price in the market at the moment.
