Description

SABRE 36 Express (2001) Introducing the Sabre Yachts 2001 Sabreline 36 Express, more commonly known as the Sabre 36 Express, a stunning cruiser that combines elegance with performance. With an overall length of 12.22 meters, this vessel is designed for both comfort and adventure on the water. Her modified Vee hull crafted from durable fiberglass ensures a smooth and stable ride, perfect for cruising. Powered by twin Yanmar 6LYA-UJE diesel engines, each with only 580 hours, this boat offers reliable performance and amazing fuel efficiency. The direct drive configuration enhances maneuverability, and together with the bow thruster makes navigation a joy. With an interior layout able to accommodate up to 10 guests, the Sabre 36 Express features: A cozy forward cabin with two large beds (each 1.95x0.80m in size), which may be converted into a much larger double bed whenever necessary. A well-appointed head, with two doors for individual direct access from both the forward cabin and saloon. A spacious saloon with a galley together, and a dining area made up of a large sofa around a dining table which may also be converted into a double bed whenever necessary. The vessel's bronze 4-blade propellers add to her robust design, promising a thrilling experience on the water. This cruiser is perfect for those seeking class, relaxation and adventure, making it an ideal choice for your next maritime escapade.
