Description

Princess 470

Reasonable offers will be considered.

Well Maintained | VAT Paid | Keen Seller

Built in 1992, she was acquired by her first owner in 1996 and has had only two owners since new. The yacht has been continuously maintained and significantly upgraded.

Originally ordered from the factory with an extended 1.5-metre bathing platform, she offers increased deck space and easier access to the water, making her an ideal family cruising yacht.

In 2003, she was repowered with brand-new Volvo Penta TAMD75 diesel engines, providing excellent reliability and dependable cruising performance.

The interior is spacious and practical, featuring a bright saloon, two comfortable cabins, two bathrooms, a fully equipped galley, and a generous flybridge designed for entertaining. The original crew cabin has been professionally converted into a practical laundry room, equipped with a washer/dryer and additional storage space.

This Princess 470 has benefited from continuous maintenance and substantial investment over the years and is presented in very good condition, ready for her next owner.

Key Features

- Volvo Penta TAMD75 diesel engines (2003)
